

COP 5611 - JPM Project - Meeting Minutes

---

Date: 2003.04.16

Meeting Minutes

- Willard and Chuck met in the Security Lab for about 8 hours to work on the JPM project.
- Willard and Chuck examined the data from the experiment trials that Chuck ran earlier this week.
- Willard and Chuck produced the charts from the data from the trials and will use these to help show the results of the experiments.

Action Items

- Willard is continuing with writing the paper.
- Willard is also working on the presentation.
- Chuck is now writing sections of the paper as well.
- Next meeting scheduled for Tuesday, April 20, in the security lab. The project presentation is next week!!!
